

LEAD SAFE HOMES PROGRAM COMMUNITY ADVISORY GROUP (CAG)

Help us to reduce lead-based paint exposure and poisoning in Santa Clara County!

BACKGROUND

The County has settled a lawsuit with paint manufacturers, which will provide millions of dollars to clean up lead paint in homes.

ABOUT THE COMMITTEE

The CAG is a group of community members, representatives, and leaders who will provide guidance and feedback to the County of Santa Clara on implementation strategies for the Lead Safe Homes Program.

MEMBER EXPECTATIONS

- Meetings held every other month (hybrid)
- Feedback and guidance on program development
- Distribution of educational materials to respective communities and networks

COMMUNITY ADVISORY GROUP FREQUENTLY ASKED QUESTIONS

WILL I BE COMPENSATED FOR MY TIME?

Paid employees as representatives of their organizations will not be compensated. Individual community members and/or unpaid representatives may receive a small stipend for participation.

IS THIS FOCUSED ONLY ON LEAD-BASED PAINT?

While we recognize that there are several different sources of lead hazards in the community, this group and the Lead Safe Homes Program will focus specifically on lead-based paint hazards within the home.

WHO CAN I CONTACT WITH QUESTIONS?

For any questions regarding the CAG, please contact
leadsafehomes@deh.sccgov.org

WILL MEETINGS BE IN-PERSON OR VIRTUAL?

We hope that members will be able to join us in-person, but a hybrid meeting option will be offered.
